

CURRENT OPEN POSITION

Full-time Project Foreman

Company Description

Altius Building Company is an award-winning construction management company based in Milwaukee, Wisconsin. The company specializes in multi-family, municipal, commercial, senior, and student housing developments. Altius prioritizes trust in each relationship and strives to deliver superior results through maximum efficiency and multi-disciplinary involvement. Altius does not self-perform any tradework and relies on the best industry trade partners to deliver some of the most impressive construction projects in Southeastern WI.

Role Description

This is a full-time on-site role for a Project Foreman at Altius Building Company in Milwaukee, WI. The Project Foreman will be responsible for overseeing the day-to-day operations of construction sites, managing the work of subcontractors, coordinating schedules, and ensuring project timelines are met. Depending on project scope and scale, the Project Foreman may work at multiple project locations throughout Southeastern WI.

Qualifications

- Supervisory skills and experience managing construction teams
- Excellent communication skills, both verbal and written
- Experience in the construction industry is required
- Tradework experience and general maintenance skills
- Knowledge of construction safety standards and regulations
- Valid Driver's License and Acceptable Driving Record to operate company owned vehicles
- Proficiency in operating limited construction equipment is a plus (Skid loader, forklift, truck)
- Bachelor's degree in Construction Management or related field beneficial but not required

Benefits

- Paid time off (vacation/sick); holidays off
- Company sponsored health insurance, dental, and vision
- 401K investment safe harbor plan
- Tuition assistance

Altius is an Equal Opportunity Employer who values the strength of diversity of staff, encourages growth (both in field and scholastic continuing education), employs an entrepreneurial spirit, is solutions focused, and understands that collaboration will always outperform confrontation.
